MUNICIPAL OFFICES

Dat 11th December 1951

The Municipal Commissioner,
City Municipality,
Davangere

The Secretary to Government,
Local Self Government Department,
Bangalore

Sir,

SUBJECT Entertainment of an Additional Sub-Overseer by the Davangere City Municipal Council--Sanction of--

I write to state that this City Municipal Council have to undertake immediately the works connected with the construction of the Second R C C Tank as sanctioned in G O No L9062-67/C M 56-51-4 dated 20th November 1951 departmentally In addition to this important work, work connected with the providing of Underground Drainage to the several parts of the City in accordance with the layout that had been furnished by the Sanitary Engineering, Bangalore (Consisting of several stages) has also been taken up for early execution

As these works are of vital nature and important which requires constant supervision by responsible executive staff, the Municipal Engineer reported that the services of at least One Surveyor and two Sub-Overseers are required to supervise the works This aspect of the question having been placed before the Municipal Council for consideration at its meeting held on 29th October 1951, it was resolved that Government be requested to sanction the post of one additional Sub Overseer for the reasons indicated therein in the body of the resolution

A copy of the resolution is herein enclosed for favour of reference

I am to state in this connection that with regard to the entertainment of a Graduate Overseer, Government have already be n re-

requested to sanction the post-vide this office communication No H C 31/49-50 dated 20th August 1951 and orders of Government in this behalf are awaited as replied to in your letter No L6087 dated 7th September 1951

From the proposition statement forwarded to Government in connection with the sanctioning of the post of a Graduate Surveyor, it was explained that there would be a net increase of expenditure of Rs 203-4-0 Now the post of an additional Sub-Overseer in the Grade pay of Rs 60-5-100/- Plus C A of Rs 15/- ~~pay~~ P M has to be sanctioned The additional average cost for this post per mensem would therefore work to Rs 85-5-0 + 15-0-0 C A or Rs 100-5-0 P M

The extra expenditure involved on this account will be met from the provision made under the head D-Public Works Establishment in the current year's sanctioned Budget The entertainment of a Graduate Surveyor and that of an additional Sub Overseer are found to be quite necessary to look after the important and major works that are taken on hand now

I request you, therefore, to kindly obtain early sanction of Government to the entertainment of a Graduate Surveyor and that of an additional Sub Overseer

Yours faithfully,

14/12

Davangere City Municipality
